Work is starting to improve the sea defences in the area between the Pyramids and Eastney (St George's Road).

What's happening?

- **October 2025**
  A new beach is being imported to provide the primary defence and the Canoe Lake outfall is being extended.

- **Spring 2026**
  Between Speakers Corner and Canoe Lake, the stepped revetment and raised promenade are being continued. Improvements to the cycle lane and highway will be implemented. This frontage is called Sub-frontage 5 East.

- **Spring 2027**
  Between Canoe Lake and St. George's Rd, a new promenade and setback secondary defence wall will be built. This frontage is called Sub-frontage 6.
